

MobileMustHave
MOBILE LIFESTYLE SOLUTIONS

Here at MobileMustHave.com, we are a small, close-knit company that works together to provide exceptional customer service to all of our clients.

We are a primarily remote company, and many of our employees have either previously been nomadic, are currently nomadic, or have plans to become nomadic soon.

We live what we sell, and we love what we support.

Open Positions

Nomadic Specialist - Sales

Main Tasks:

- Recommend potential products or services to management by collecting customer information and analyzing customer needs.
- Handle calls with prospective customers to discuss product offerings to convert pre-sales to closed sales.
- Develop a solid understanding of products offered by the company and a strong understanding of which products solve each customer challenge.
- Assist with placement of orders, refunds, or exchanges.
- Inform customers of deals and promotions to assist in additional sales.

Nomadic Specialist - Technical Support

Main Tasks:

- Handle first response resolution through email, chat, and phone while building strong customer relationships.
- Make outbound calls to perform first-level troubleshooting for customers with issues.
- Resolve product or service problems by clarifying the customer's complaint; determining the cause of the problem; selecting and explaining the best solution to solve the problem; expediting correction or adjustment within time limits and following up to ensure resolution either within the customer service or support departments.
- Develop a solid understanding of products offered by the company and a strong understanding of which products solve each customer challenge.

RV Antenna/Router DC Install Contractor

MobileMustHave.com is planning on attending various RV shows, rallies and events over the coming year and we are looking for licensed and insured RV mobile technicians or installers that we could have on hand at these events to schedule installations of our systems. If you are experienced at installing rooftop antennas and would like to work with us at these events, please send us your resume and business credentials!

To Be Decided....

Do you love what we do and want to work with us? Submit your resume!

We are a growing company, and we'd love to have your resume on file to see if your skills could fill any future openings we have.
