Providing Freedom For RVers!

This FREE RVer-focused career fair will bring you face-to-face (virtually) with employers offering unique and exciting job opportunities for RV travelers.

Come meet with employers inside and outside of the camping industry and find a variety of job opportunities that fit your RV lifestyle! We're featuring a mix of ***Onsite & Seasonal Jobs, Work Camping, Freelance & Contract Work as well as Fully Remote Careers*** in several industry sectors.

HOW IT WORKS

Day 1: Education & Training Workshops 10am -3pm CT

This two-day event offers a whole day of educational workshops to help you put your best foot forward. Workshops will help you:

- Revamp & fine-tune your resume
- Update your cover letter & LinkedIn profile
- Practice interviewing & networking skills

Day 2: Education & Training Workshops 10am -3pm CT

Today is all about meeting with potential employers and making the most of your first impressions! Hop around to each job booth and see what opportunities each employer has to offer.

- Live employer presentations throughout the day
- Easy opt-ins at each booth to let employers know you're interested
- Private 1-on-1 interviews with employers, by invitation
- Career Development Center open for networking

MAKE SURE YOU HAVE RELIABLE INTERNET TO WATCH & PARTICIPATE!

All of the sessions for the conference are videos. This means you will need a decent internet connection at the very least to watch.

Some of the sessions during the conference use an external webinar system to allow us to all to meet virtually.

These sessions include the welcome calls, panels discussions, and networking meetups.

You will need a stronger connection to participate in these sessions since they are live, and some will allow you to use your own audio and video sources.

Please test your video and audio abilities prior to the first session, so you iron out any issue before the event starts!

TIPS

The Conference is split up into 2 main parts. Job Search Workshops & Employer Career Fair

Job Search Workshops

- Ways to Work on the Road
- Resume & LinkedIn
- Interviewing
- Networking

Employer Career Fair

- Workamping Jobs
- Remote work jobs

To access the content, **simply login using the email used during registration!**

We will send a daily schedule at the start of each day with links to access the sessions. Keep an eye out for that- or simply come back to the website and login to watch.

ADVENCO /ROCKY MOUNTAIN RECREATION

<https://rockymountainrec.com/>

We are a family-owned company with almost 30 years of experience operating National, State, and local park concessions. Over the years we have worked to enhance, elevate, and complement the visitor's experience at each park, landmark, and property we operate.

We focus on finding small to medium-sized park operations where we can make a large difference. We take great pride in acquiring under-performing park concessions, turning them around, and bringing them up to and beyond the expectations of our park partners and park visitors.

ARVIE

www.arvie.com

Arvie was built by a team of passionate RV enthusiasts. A team with a shared belief that finding and booking campsites should be a whole lot faster and easier. We built our platform to enable agents, using our proprietary search engine technology, to find and book campsites for you. Way faster than you could ever do on your own. Even at places that you thought were completely sold out.

AGS GUEST GUIDES

www.agspub.com

We are a full scale marketing company providing custom guest guides, site maps, promotional items and other marketing tools to RV parks and campgrounds across the US! AGS began over 30 years ago to fulfill a direct need on the part of our customers and the initial response was phenomenal.

PERFORMANCE TRAILER BRAKING

<https://performancetrailerbraking.com/>

**PERFORMANCE
TRAILER BRAKING**

PTB helps drivers stop their trailers safer and faster. We provide options for upgrading brakes, axles, suspension, tires - everything you need for a safer, smoother ride.

Performance Trailer Braking was founded in 2013 and the Barnett Family has been operating Performance Trailer Braking since October 2017. Since taking over, we've worked tirelessly to push PTB's standards of expertise and customer support to new limits and do our best to make sure every customer is treated like we would want to be treated.

We have a small team of honest, hard working folks who are part of the family and help keep things running smoothly for our customers. In addition, we have teamed up with several mobile independent installers who travel around the country to do brake, axle, and suspension installations. Brands we offer include Dexter, MorRyde, Roadmaster, and more.
